

Day 1		Day 2		Day 3	
09:00 - 09:30	Arrival	09:00 - 09:45	Experimental Design	09:00 - 09:30	EMEC Deployment History
09:30 - 10:00	Welcome and registration	09:45 - 10:30	Site Replication	09:30 - 10:00	Deployment
10:00 - 10:30	Introduction	10:30 - 10:45	Coffee break	10:00 - 10:30	Considerations: Practicalities of deploying at sea
10:30 - 10:45		10:45 - 11:30	Measurement and data considerations	10:30 - 10:45	Coffee break
10:45 - 11:00	Coffee break	11:30 - 12:00	Lunch	10:45 - 11:30	Deployment Considerations 2: MetOcean Data Collection
11:00 - 12:00	Capturing and simulating the ocean for testing ORE	12:00 - 12:30		11:30 - 12:00	
12:00 - 12:30	Lunch	12:30 - 13:00	Practical tank testing exercise @ The FloWave Ocean Energy Research Facility	12:00 - 12:30	Lunch
12:30 - 13:00		13:00 - 13:30		12:30 - 13:00	
13:00 - 13:30	Why standards?	13:30 - 14:00	Performance Assessment Exercise in Wave and Tidal	13:00 - 13:30	Performance Assessment Exercise in Wave and Tidal
13:30 - 14:00	MaRINET D2.1: Summary of deliverable and identified gaps in standards by the MaRINET2 consortium	14:00 - 14:30		13:30 - 14:00	
14:00 - 14:30	Role of standards for tank testing of offshore renewable energy systems	14:30 - 15:00	Coffee break	14:00 - 14:30	Coffee break
14:30 - 15:00	Coffee break	15:00 - 15:30	Wave Energy Scotland	14:30 - 15:00	
15:00 - 15:30	Role of standards for site deployments	15:30 - 16:00		15:00 - 15:30	Developer Talk: Quoceant
15:30 - 16:00		16:00 - 16:30		15:30 - 16:00	
16:00 - 16:30		16:30 - 17:00			

	FloWave
	EMEC
